PATRICK WORKS AGAIN

ARE you certain that the plate you eat off of, and the cup you drink from, have not been washed with soap made of the fat of diseased cattle? After a careful chemical and microscopical examination of the Ivorer Soap, Dr. Dormeyer, of Bellevue Hospital, writes: "I cordially recommend the Ivorer Soap for its unsurpassed detergent properties and purity." Wash your dishes with Ivorer Soap.

A WORD OF WARNING.

There are many white soaps sold represented to be "just as good as the 'Ivory'." They ARE NOT, but they all resemble, but the peculiar and remarkable qualities of the genuine. Ask for "Ivory" Soap and insist upon getting it.
